

No. 388.

## THE BURIALS LAW, 1896.

WHEREAS it has been reported that the place for the burial of the dead belonging to the Christian community in the village of Polis, Paphos District, is dangerous to the public health :

Now, therefore, in pursuance of the powers vested in him by the Burials Law, 1896, His Excellency the Officer Administering the Government is pleased to order, and it is hereby ordered, that a new burial-ground, in substitution for the aforesaid, shall be provided under the provisions of the said law.

No. 392.

## THE IRRIGATION AND WATER LAW, 1887.

WHEREAS at a meeting held at Kiti, in the District of Larnaca, on the 29th day of July, 1928, under the provisions of the Irrigation and Water Law, 1887, it was determined by the majority of those present that local public works should be undertaken for the purpose of carrying out repairs and improvements to the Softades Dam in the Tremithias River at Kiti, in the District of Larnaca.

AND WHEREAS it was determined at the said meeting that Government aid was necessary for the said local public works.

AND WHEREAS an application has been made by the Commissioner of the said District for such aid, specifying therein the property in the said village of Kiti which is likely to be benefited by the said local public works, and the names of the proprietors of such property.

AND WHEREAS under the powers vested in him by the Irrigation and Water Law, 1887, His Excellency the Officer Administering the Government has caused plans and estimates of the proposed local public works to be made and has referred the same to skilled persons for a report on the advisability of undertaking the said local public works and for an approximate specification of the property which will be benefited by the said local public works, and has obtained a list of the proprietors of such property as is likely to be benefited by the said local public works and the extent of land owned by each.

NOTICE is hereby given that copies of the said plans, estimates, report and list have been deposited with the Commissioner of the District of Larnaca and that all persons and communities aggrieved by the decision of the meeting aforesaid or objecting to the report aforesaid shall make their objections in writing to the Commissioner of the District of Larnaca within two months from the date of the posting of this notice.

Dated the 20th day of May, 1929.

(M.P. 620/29.)

No. 393.

## POST OFFICE NOTICE.

IT is hereby notified for general information that, on and from the 1st of June, 1929, any kind of postal packet may be sent by the Desert Route (Service Transdesertique Syro-Iraquien Damas-Bagdad), that is, letters, postcards, printed papers and commercial papers and samples.

2. A packet intended for transmission by the Desert Route may be posted in any of the ordinary ways of posting. It can be accepted for registration at any Post Office ; but it cannot at present be insured and, besides conforming to the ordinary postal regulations, must :—

(1) bear in the top left-hand corner of the cover a Desert Route label ;

(2) be prepaid with a Desert Route fee.

3.—(1) Desert Route labels may be obtained free of charge at any Post Office.

(2) The Desert Route fee must be prepaid with Cyprus Postage Stamps in the usual way. Ordinary postage at the rate appropriate to the class of packet concerned must be prepaid in addition. Any packet which is not fully prepaid with the Desert Route fee will not be sent by this service.

4. The latest times of posting postal packets intended for transmission by the Desert Route can be ascertained by enquiry at any Post Office.

5. The transit time by the Desert Route between Cyprus and Iraq is 6 days as compared with 19 days by the ordinary sea route.

6. Particulars of countries served and the fee payable are given hereunder.
